

60 Second HWS JustFACTS Surveys

The *60 Second JustFACTS Surveys* are anonymous surveys designed by the JustFACTS team that ask 5-6 short questions on a topic of interest to the HWS community. Survey invitations are delivered by electronic mail to every student on campus or a specified subpopulation. Data collection lasts for approximately 5 days. The web based survey is designed to work on smart phones or on a computer with a web browser.

- **60 Second HWS JustFACTS Survey on Smoking Control Policies at HWS**
 - **407 respondents (May 6-11, 2014)**

1. Which of the following campus smoking control policies do you support? (Check any statements you support)

- a. I support the current Community Standards policy that prohibits smoking of a lighted cigar, cigarette, pipe, or any other form of smoking object in campus student residences and all other indoor common space areas used or visited by more than one person.
- b. I support expanding outdoor restrictions to include prohibiting smoking within 50 feet of the entrance to any campus building.
- c. I support a smoking ban everywhere on campus both inside buildings and out-of-doors except in some small sheltered designated areas for smoking.
- d. I support a complete smoking ban everywhere on campus both inside buildings and out-of-doors.
- e. I oppose any smoking control policies on campus.

2. Would you like to see e-cigarettes included in any policies you support? (Check one)

Selected Results

1. A large majority (86%) of HWS students supports the current smoking control policy prohibiting smoking in campus student residences and all other indoor common space areas used or visited by more than one person or supports a more restrictive policy.
2. 52% of HWS students support a more restrictive policy that would include a) prohibiting smoking within 50 feet of the entrance to any campus building, b) a complete prohibition of smoking everywhere except in a limited number of small sheltered designated areas, or c) a complete campus ban on smoking both inside and outside of buildings.
3. Students supporting the current smoking control policy or a more restrictive policy are divided on whether such smoking control policies should extend to e-cigarettes: 48% support control policies being applied to e-cigarettes, while 52% do not.
4. A large majority of HWS students do not smoke pipes, cigars, cigarettes, or e-cigarettes. See the chart below.
